

To: Players and their related staffs

While some of the UNIQLO WHEELCHAIR TENNIS TOUR events have been postponed or cancelled around the world due to the Coronavirus (COVID 19) outbreak as you are aware, We, Tournament Office of the Japan Open 2020 (to be held during the period of April 21st - 26th 2020), have been progressing all the preparation/arrangements required for the tournament assuming it can be held, as of today (March 9th 2020)

However, we will have to decide to hold it as scheduled or not in line with policies (to cope with the coronavirus) to be set forth by the Japanese Government or the municipal governments in the future, as the case so far.

We would request all the players to closely check alerts or available information every day that will be issued/provided by:

- Government of your country
- Ministry of Foreign Affairs of Japan
<https://www.anzen.mofa.go.jp/masters/tawinfectiousdiseases.html>
- Ministry of Health, Labour and Welfare of Japan

- Embassy of Japan in your country
- ITF
- Japan Open HP <https://japanopen-tennis.com/>
- National organization for sports in your country
- Your General Practitioner (GP) or home doctor
- Your travel agency
- Any other relevant organizations

In case that you will withdraw your entry or the tournament is cancelled/postponed depending upon changes in the situation of any aspect in this regard, please re-confirm the related message given by ITF.

Please note that we, Tournament Office, shall not be liable for any loss or other detriments caused by your withdrawal/participation or cancellation/postponement of the tournament (excepting refundment of entry fee). Hence, we would suggest your careful travel arrangements to avoid them (such as cancellation fee of your booked flights).

Any important update on Japan Open 2020 will be available in its HP. In addition, we will provide all the players who have completed their entry with the updates directly by e-mail.

Please let Yoko Yanase (info@japanopen-tennis.com) know if you need any more information.
